THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the Inhabitants of the Town of Danville, in the County of  
Rockingham, in said State, qualified to vote in town  
affairs:*

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 14th of March next, at ten o'clock in the forenoon, to act on the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear the report of the budget committee and act thereon.

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriation for same.

4. To see what sum of money the town will vote to raise and appropriate to repair the several highways and bridges.

5. To see if the town will vote to raise and appropriate a sum of money necessary to obtain State aid on either new construction or town road maintenance.

6. To see what sum of money the town will vote to raise and appropriate for snow paths.

7. To see what sum of money the town will vote to raise and appropriate for the Public Library.

8. To see if the town will vote to raise and appropriate a sum of money to be used in improving the cemeteries.

9. To see if the town will vote to raise and appropriate a sum of money for the observance of Memorial Day.

10. On petition of Louis M. Griffin and others, to see if the town will vote to raise and appropriate the sum of \$200.00 for Tar to be used on Towle's Hill in North Danville, and to be expended under the direction of the Selectmen.

11. To see if the town will vote to raise and appropriate the sum of \$150.00 for the purchase of paint and paint materials for the Town Hall.

12. To see if the town will vote to authorize the Selectmen to hire money for the use of the town.

13. To see how much of the Parsonage Funds the town will vote to spend for preaching for the year ensuing.

14. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 20th day of February, in the year of our Lord nineteen hundred and thirty-nine.

## REPORT OF THE DANVILLE PUBLIC LIBRARY

---

During the past year there have been several changes and improvements made in the Library. The walls and ceilings have been repaired and whitened as a part of the W. P. A. project. This greatly improves the appearance of the room, and is much appreciated.

Miss Catherine Pratt, Field Worker of the New Hampshire Public Library Commission, spent four days working with the Librarian in discarding old and worn out books, and in classifying the fiction according to authors, alphabetically. The non-fiction will be classified according to the Dewey System later. Pockets and cards have been purchased. Through these changes we have tried to bring the Library more up-to-date.

We are very pleased to announce that through the will of Salina Sanborn the Library has received the gift of \$200.00 to be used by the trustees to purchase new books.

## SUPERINTENDENT'S REPORT

---

*To the School Board and Citizens of Danville:*

I herewith present my twelfth annual report as Superintendent of Schools.

### SUPERVISION

My primary duty should concern the welfare of the children in your schools. My philosophy is dependent upon that function. The supervision and improvement of instruction naturally come to mind as the first essentials whether they come from the instruction of a new textbook, advice to the teachers on school problems, or absolute direction to perform certain tasks. Your teaching staff remains the same with one exception. Miss Boody, after a number of successful years at Eaton Grammar, resigned last summer to accept a more lucrative position otherwise. Miss Ruby Gustafson, a teacher with some years' experience, filled the vacancy. All your teachers continue to ask for whatever help I am able to render. I believe this is a favorable indication of progress. I trust that this aid and support to the teachers is indirectly helpful to the pupils.

We must look to the results to determine the value of instruction. Among the fifty-six pupils in your schools at the close in June, 1938, fifty-three were promoted or 93%. In other words, it was found that only 7% were in need of or could profit by remaining in the same grade for another year. I believe this is a worthy record. Last year's graduation class of eleven pupils will serve as another example of accomplishments. Alone with the other 75 graduates of the eighth grade in this Union, these pupils took the Metropolitan Achievement Tests, Advanced Form. Five exceeded, five equalled, and one fell slightly below their grade standards. As a further example of parental co-operation and

pupil interest, I am pleased to list the following pupils who were perfect in attendance during 1937-38:

Clyde Goldthwaite	Ernest Goldthwaite
Donald Duston	Oscar Duston
Wilton French	Mrs. Hattie French
Kiuth Lessard	Dona Lessard

As the parent is more often as much responsible as the child, his name is added as extra credit.

The information which now follows gives a brief summary of statistical data about the school year, 1937-38.

*Average per cent of attendance .....	94.17

#### Finance

My secondary duty has to do with the finance and general operation of the physical plant. In a large Union such as this, too often this function comes ahead of the first ideal, supervision. Yet, certain situations must be faced and problems solved. Required reports must be finished on time.

meetings held to review needs, plans made to meet conditions. Much time must be spent either by night or by day to determine the means of satisfying these needs by long-time planning. That is one of the School Board's duties, and mine, just now and a difficult one it is due to the length of time in advance before the spending occurs as well as the uncertainties of high school tuition, caused by frequent shifts in family residence. Every budget presented to you must foresee the demands of a year or more in the future. This year's budget is no exception to this formula.

As there is a possibility that state aid may be withdrawn from the support of the North Danville School on account of the great decrease in enrollment, I deem it my duty to inform you of the prospects of enrollment for next year. It must be agreed that these figures are of this date and are, therefore, months in advance. They follow:

Eaton Grammar School, Grades 5-8....20 pupils

Eaton Primary School, Grades 1-4.....22 pupils

North Danville School, Grades 6-8..... 7

As I analyze the situation, I find there are no new entrants for North Danville for two or three years and the expected enrollment there for next year is composed of five in the eighth grade, one in the seventh and one in the sixth. Disagreeable as they may be to you as to me, I must state the facts. The solution lies in your hands. If you wish, you have two courses for action; first, to appropriate extra money to offset the possible loss of state aid and maintain the North Danville School or, second, to close that school and transport its membership to the Eaton School, accepting state aid for the increased transportation costs.

To show certain facts concerning the financial management of your schools I list the following information taken from recent releases of the State Board of Education. These indicate the financial burden and how well it is being done in comparison with other towns of this union.

### Appreciation

I am very appreciative of the interest and activity of the School Board in their unselfish efforts to make your schools the best that available funds will allow. We have worked together for another year in harmony and for the best interests of the children.

I would like to express my gratitude for the co-operation of your citizens and parents. I am indeed grateful that you are interested enough to unite to study the problems of childhood and schools. The P. T. A. is a helpful organization.

I would not forget the loyal service and the active efforts of the teachers. I give them my thanks for their support and

diligence in meeting our plans for pupil welfare. They deserve the bulk of the credit.

Very respectfully,

HAROLD C. BOWLEY

44 Pupils were tested for hearing by Audiometer. Two showed hearing loss in the left ear and one in both ears. Treatments for removal of wax largely brought corrections.

The Dental Clinic, sponsored by the P. T. A., was held in June for 47 pupils.

Money was secured from outside sources for other corrections as tonsillectomies, glasses, and milk and cod liver oil for two families.
